

## 2025 Façade Improvement Grant

TDIA is pleased to announce the availability of façade improvement grants for property and business owners in 2025. We have funding to support projects for our members, with each project eligible for a 50% matching grant, up to a maximum of \$5,000 per grant application.

This funding is made possible through the support of the **Northern Development Initiative Trust (NDIT)**. NDIT, along with its regional advisory committees and staff, is dedicated to growing the economy of central and northern British Columbia.

### Letter of consent from building or facility owner/manager

Name of building/facility owner providing consent:

Phone number:

Email:

Name of grant applicant:

Street address of building:

*I, \_\_\_\_\_ am the authorized building or facility owner/representative of the above building/facility. This letter confirms my support for the grant application from the above-mentioned applicant who occupies the building/facility and is seeking financial assistance under the 2025 Façade Improvements Grant Program through Terrace Downtown Improvement Area Society. I acknowledge that, as building/facility owner/manager, I am responsible for obtaining advice on, and being satisfied as to, the suitability of the landscaping improvements installed.*
